01

Program Foundation

Objective, goals & success criteria

Build a trusted, scalable partner network that delivers premium study-abroad outcomes

1

Expand Quality Reach

Partner with ethical consultancies to serve more USA, UK & Australia aspirants without compromising standards.

2

Standardize the Journey

Deploy a repeatable lead-to-enrollment framework with SLAs, documentation, and platform visibility.

3

Grow Mutual Revenue

Create win-win commercial models where partners earn through ethical placements and structured delivery.

12-Month Partnership Goals

15+

Active partner consultancies onboarded

500+

Qualified leads processed through GEM framework

200+

Paid counseling engagements closed

80+

Confirmed enrollments (USA / UK / Australia)

Targets adjusted per partner tier during onboarding. Reviewed quarterly.

What Success Looks Like

A successful GEM partnership = trusted brand + disciplined operations + measurable enrollments

- Students receive transparent, milestone-based counseling with visible progress
- Partners earn predictable revenue through documented referral & co-delivery models
- GEM maintains founder-led quality assurance and British Council-aligned standards
- Both parties operate from a single pipeline view: lead → counseling → paid → enrolled
- Zero tolerance for false promises, document fraud, or undisclosed fees

Market Opportunity

Student Demand

- USA, UK & Australia remain top destinations for Indian students
- Families demand certified counselors + digital journey tracking
- 6–18 month intake cycles require disciplined pipeline management
- Parents evaluate ROI, visa reality & career outcomes

Partner Gap

- Local consultancies have reach but lack scalable process & tech
- Inconsistent SLAs erode trust and reduce conversion rates
- No shared CRM = leads lost after initial contact
- Partners need brand credibility to compete with aggregators

Why Partner with GEM?

03

Partnership Models

Choose the structure that fits your business

Four Partnership Pathways

Model	Ideal Partner	How It Works	Commercial Basis
Referral Partner	Agents with lead flow	Refer qualified leads → GEM counsels & delivers	Commission on enrollment
Co-Delivery Partner	Counseling firms	Joint counseling; GEM handles apps & platform	Service fee revenue share
Regional Partner	City / state leaders	Semi-exclusive territory + co-branding	Retainer + performance bonus
Institutional Partner	Schools & colleges	Workshops, career talks, pipeline	Per-enrollment + annual fee

Ideal Partner Profile

We partner with quality-first consultancies — not volume-at-any-cost operators

- Ethical study-abroad practice with verifiable placement history
- Counselors familiar with USA / UK / Australia admission pathways
- Capacity to respond to leads within 15 minutes during business hours
- Willingness to adopt GEM stage definitions, SLAs & documentation standards
- Commitment to transparent fees — no hidden charges to students or families

06

Commercial Framework

Revenue models & governance

Commercial Principles

Revenue Streams

- Service fees: counseling, application & visa (₹25K–₹1.5L+)
- University commissions on confirmed enrollments
- Partner referral fees: loans, test prep, accommodation
- All terms documented in Partnership MOU

Revenue Share (Indicative)

- Referral Partner: 15–25% of service fee or commission share
- Co-Delivery Partner: 30–50% of service fees by role split
- Regional Partner: retainer + performance bonus on enrollments
- Final schedule customized per tier, volume & territory

Quality & Compliance Charter

Trust is our primary product. One bad practice damages the entire network.

- No guaranteed admission, visa, or scholarship promises under any circumstance
- Written service scope per package — explicit inclusions and exclusions
- Student document authenticity verified before any application submission
- Data privacy: role-based access to student PII and financial documents
- Partner termination clause for repeated SLA breaches or ethical violations
